

**ARTWORK REMAINING FOR COMPLETION OF  
 BIRDS OF THE TROPICAL PACIFIC: HAWAII, MICRONESIA, AND  
 POLYNESIA  
 January 2022**

---

**Pricing Schedule**

The prices shown for support/ownership of artwork are based, mostly, on the schedule below. The truth is I used wide discretion. Upward adjustments have been made for particularly difficult or iconic species (i. e. parrots cost more than gulls) and some less "popular" groups are discounted. If you don't like the price, contact me; it's all negotiable.
